

FUNDRAISERS!

Fundraising for money or for items on our wish list makes a great impact on the work we do at Valley Humane Society! Here are some ideas to get you started:

- ❖ Organize a yard sale and donate the proceeds to VHS. Coordinate a joint yard sale with neighbors, and collect household items from friends and other family members for an even bigger impact!
- ❖ Or put your creative talents to work! Educate at the same time with a humane theme (Pets are family, Spay and Neuter, etc.) Here are some examples you can make and sell to raise funds for the animals:
 - Homemade Dog or Cat Treats, Animal Portraits, T-shirts, Jewelry, Pottery, Stickers, Magnets, Buttons, Baked Goods, Lemonade, Hot Chocolate, etc.
- ❖ Some services you can offer to family and friends in exchange for donations:
 - Car Washing, Yard Work, House Chores, Babysitting, Pet Sitting, Dog, Walking, Running Errands, etc.
- ❖ Collect recycling at home, from friends and neighbors, or make it a school-wide campaign! Exchange for cash at a local recycling center and donate the proceeds.
- ❖ Pennies for Pets—Collect pennies (or any type of cash) at school, through a sports team or in your neighborhood and donate them.

DONATION DRIVES!

- ❖ Hold a donation drive in your neighborhood! Obtain permission from local facilities or business owners to place a donation box for a period of time before retrieving it. You might ask an animal-themed business, like a vet or pet supply shop, or choose a general location with lots of traffic! Decorate your box and make it clear what items you want donated (Please see our WISH LIST) Make flyers and include the list on the back!
- ❖ Ask a local store to donate paper bags with their logo. Pass out bags to friends, relatives, and neighbors and tell them how long they have to fill each bag before you pick up and donate to VHS!
- ❖ Host a party or movie night, and ask your guests to bring donations from the list. Many kind people even do this for birthdays!
